# Saucon Valley Lions Club

Lions Club is an international organization comprised of 1.3 million men & women in 202 countries & geographic areas. Our clubs conduct vision & health screenings, build parks, support eye hospitals, award scholarships, assist youth, provide help in times of disaster and much more.

The Saucon Valley Lions Club was chartered in Feb. 1949. We have served the Lower Saucon & Hellertown communities for over 59 years.

**SVLC** holds community fundraising events throughout the year in order to fund the contributions we make to our community, the blind and other service organizations.
